1. **Please arrive early** to the vessel or meeting location. This will give you ample time to unload your gear, water and / or get acquainted with the vessel.
2. Please keep in mind that Sebago Sailing does NOT retain an office or physical location at Kettle Cove – i.e. No office. For this very reason, we must MEET you at the vessel's slip at Kettle Cove Marina.

We have other students on the boat to consider as well as the captains time. **If you are not on time, we will sail away from the dock, as other students are here to sail.** Please call us if you feel you will be late or get lost, that is all we ask. Thank you!
